Term 4 Week 7

"We wish to recognise the generations of the local Aboriginal people of the Bundjalung Nation who have lived in and derived their physical and spiritual needs from the forests, rivers, lakes and streams of this beautiful valley over many thousands of years as the traditional owners and custodians of these lands."

Dear Parents and Friends,

It is already week 7, which means there are only three more weeks left in the school year! The last day of school for students and staff is December 15 as our staff development days were held earlier this term.

Concert: Next week is concert week!! The whole school will be going to Repentance Creek Hall for rehearsals on Wednesday and Thursday. Travel will be by private car with Rochelle, Sue, Jen and parents. Please complete and return the attached permission note. The P&C have asked each family to bring something to share for supper. Sue will need a few helpers to decorate the hall on Thursday. Once again, please remind your children to practise their lines and their guitar.

Kinder Orientation: If you know any little people who will be starting big school next year please let them know that we will be holding Kinder Orientation dates on Friday 17th, 24th November and Friday 1st December from 10.30am to 11.30am. They are also welcome to pop in for a visit on a day that suits them by calling us on 66882128 to arrange a time.

Outstanding payments: As it is coming up to the end of year, we would love to get all outstanding accounts finalised. If you still have outstanding payments from any of our many activities and events, you will receive a statement of account with today's newsletter. If you are having any difficulties paying this, please complete the attached 'Application for Student Assistance' form, as we can allocate funds for this purpose.

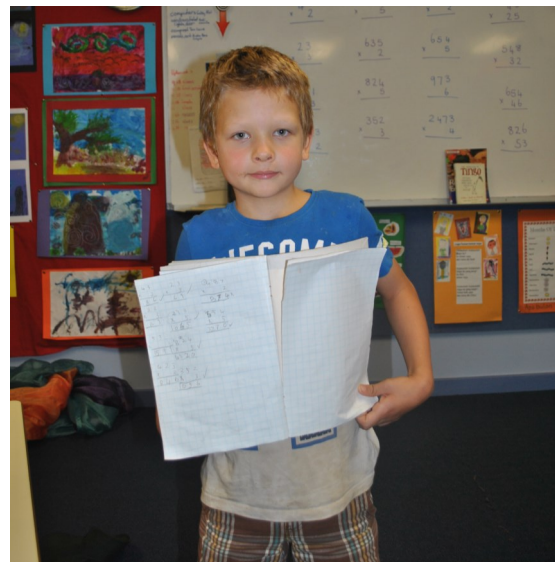

In the classroom: This week we have been working on multiplication, division and area in maths. In HSIE the children have completed and shared their information reports about a Hindu God. In PDHPE students have been discussing surf and beach safety in preparation for our end of year surfing lessons.
Jen, Rochelle, Sue and Sharon
