Term 1 Week 7

"We wish to recognise the generations of the local Aboriginal people of the Bundjalung Nation who have lived in and derived their physical and spiritual needs from the forests, rivers, lakes and streams of this beautiful valley over many thousands of years as the traditional owners and custodians of these lands."

Dear Families and Friends,

In the classroom: Everyone was very excited to have Mrs Turner back at school on Monday and Tuesday and we hope to see her more often. In maths this week we are looking at multiplication and division and 2D shapes and in writing we will be working on one of our classroom favourites, Dynamic Dialogue. The children also enjoyed two great days of athletics based activities with Tammy.

Visible Learning: The Visible Learning conference in Brisbane was a very informative couple of days. The guru of Visible Learning, John Hattie, discussed what works in the classroom, based on the enormous quantity of research his team has conducted. His exciting and passionate views on education emphasise seeing learning through the eyes of learners and we are looking forward to implementing visible learning strategies in the classroom.

Harmony Day: Wednesday March 21 is Harmony Day, a day that celebrates Australia's cultural diversity. It's about inclusiveness, respect and a sense of belonging for everyone. This year, Rosebank have invited us to join them at their school to celebrate Harmony Day. Permission note attached.

High School: High School Expression of Interest forms are due back this Friday March 16.

Billy Cart: The children have created some more exciting designs for their billy cart production. Please have a look at home to see if you have any parts that may be useful for this project. We are especially looking for scooter wheels and a piece of timber suitable for base board for the cart.

SRC Easter Hamper Raffle: If you have not yet sent in your donation for the SRC Easter Hamper fund raiser, please do so as soon as possible. The SRC would like to display a photo of
