Term 2 Week 10

"We wish to recognise the generations of the local Aboriginal people of the Bundjalung Nation who have lived in and derived their physical and spiritual needs from the forests, rivers, lakes and streams of this beautiful valley over many thousands of years as the traditional owners and custodians of these lands."

Dear Families and Friends,

Our last week of term has been very busy with three visits to Rosebank PS and one to Federal Pre-school. We really enjoyed our visit with Healthy Harold on Monday as well as the other fun activities organised by the teachers at Rosebank. On Wednesday we were back at Rosebank for a fantastic performance of 'The Protectors' by Brainstorm productions, which helped us to understand how to protect ourselves and our friends from bullies, both in real life and online. We also visited our friends at Federal Pre-school. The pre-schoolers chose buddies from our school and took us on a guided tour of their bush tucker garden. After walking (and snacking on fruits and leaves) we sang songs together around the campfire in their 'yarning circle'. Finally, we visited Rosebank again yesterday for an incredible Robotics workshop. We have all really enjoyed reconnecting with our friends at Rosebank and we are very grateful for their kindness, inclusiveness and hospitality.

Athletics Carnivals: The First North Athletics Carnivals will be held in Week 2 next term. Monday July 30, nominated students from Year 3 and up will travel to Clunes to compete in field events such as high jump, shot put and discus. Then on Friday August 3 all students will travel to Eureka to compete in track events and ball games. We will send home permission notes and more details in Week 1 next term.

Writers Festival: We also have an excursion to Byron bay for the Writers Festival coming up in week 2 of Term 3. Permission notes will be sent home early next term.

AFL: On Tuesday all the children participated in our final AFL lesson with Gus from the AFL AUSkick program. If your child is interested in taking part in an AFL workshop in the holidays contact Gus angus.ritchie96@gmail.com for more details.

Head lice: Thanks to the diligence of parents, we have fortunately avoided any major head lice issues for quite some time. However, they are back! Please check your child's hair and treat as necessary. With such a small group, we can get on top of this if everyone treats their child's hair during the holidays.

Have a fun and fantastic holiday.
