Term 3 Week 3

"We wish to recognise the generations of the local Aboriginal people of the Bundjalung Nation who have lived in and derived their physical and spiritual needs from the forests, rivers, lakes and streams of this beautiful valley over many thousands of years as the traditional owners and custodians of these lands."

Dear Families and Friends,

Congratulations Team UCC on an incredible effort at the First North Athletics carnivals. Even with half our team away, we put in an impressive performance. Congratulations to the P6 relay team for their first place and to Gabby for her first in the 13 year old girls' sprint. And congratulations to our whole team for getting second in the marching. Thank you to those parents who came along on the day to support our school.

In the classroom: In science, the students have been researching and planning for their stop motion geology film about Wollumbin and the formation of the caldera. In English they have been writing a Letter to the Editor about an environmental issue of their choice. In maths we have been looking at algebra and mass. In PE, those lucky children who were here on Monday afternoon participated in the first of six basketball lessons with Nash from Byron Bay Basketball.

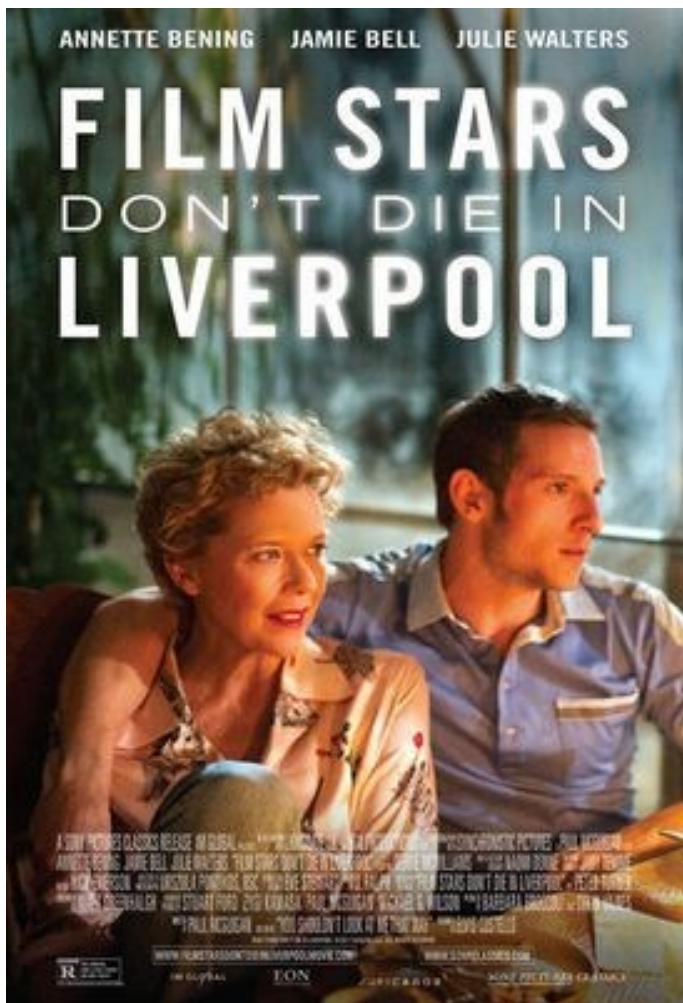

River Rock: Congratulations Aisha on a fantastic performance. We are really fortunate that our students have the opportunity to be part of these full scale professional productions instigated by the Rivers College and community of schools.

Awesome: This week we have been talking about what 'being awesome' looks and sounds like. Being awesome is all about taking on new challenges, trying your hardest and always doing your best work.

Welcome back Louie and Roy! We can't wait to hear all about your travels in Africa.

Jen, Rochelle, Jacqui and Shane
