Term 4 Week 3

"We wish to recognise the generations of the local Aboriginal people of the Bundjalung Nation who have lived in and derived their physical and spiritual needs from the forests, rivers, lakes and streams of this beautiful valley over many thousands of years as the traditional owners and custodians of these lands."

Dear Families and Friends,

School Concert: Date change - The school concert 'Knights of The Lost Table' will be held this year on **Friday November 30** (we had originally planned for the night before). Can everyone have a look around at home for flags or bunting that could be used as decorations and for anything that might be suitable for medieval costumes?

In the classroom: This week in English, the students have been refining their speeches. In maths they are working on volume and capacity. Well done Louie for being able to explain the difference between these concepts and to Tashi for some very impressive mathematical problem solving. In science, the students are continuing to create their incredible volcano documentary and among other things, today they created a 50 million year time-line.

Public Speaking: Our annual public speaking day will be held this Friday afternoon at 2pm. All parents are invited to attend as part of our audience. One Stage 2 and one Stage 3 student will be chosen to represent UCC at the First North Public Speaking Competition at Clunes next Tuesday.

Count Us In: Today children from UCCPS joined more than 3000 schools and half a million children across the country to sing the same song, on the same day, at the same time as part of Count Us in, an event which aims to celebrate and foster music education in schools.

Canberra: Canberra camp payment due this week for anyone following the payment plan.

Happy birthday to our favourite bus driver, Andi!!

Jen, Rochelle, Sue, Shane and Jacqui

Dates To Remember

Fri	Nov 2	UCC Public Speaking Day
Tues	Nov 6	First North Public Speaking at Clunes
Fri	Nov 30	School Concert @ Repentance Creek Hall
