Term 4 Week 4

"We wish to recognise the generations of the local Aboriginal people of the Bundjalung Nation who have lived in and derived their physical and spiritual needs from the forests, rivers, lakes and streams of this beautiful valley over many thousands of years as the traditional owners and custodians of these lands."

Dear Families and Friends,

The students and I have had a lovely week this week, enjoying something rare at Upper Coopers – an entire week in school without any extra-curricular activities. This week in English all the students have been busy with our annual school magazine, The Creek Speaks. In Maths we have been working on fractions, decimals and length while in Geography we have investigated the reasons people live in certain places. And, of course, all students are enthusiastically working on our school concert – please talk to your children about costumes and encourage them to practise for the performance. This week we have included a few more photos from the school camp.

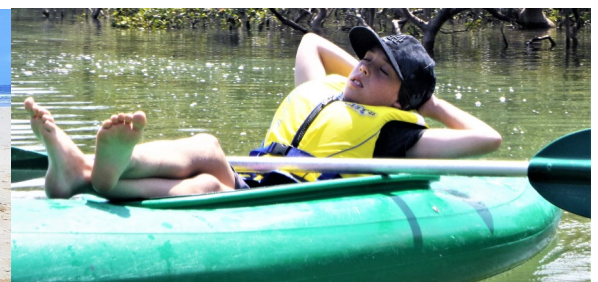

Bush School

Lighthouse Tour

Kayaking

Beach Clean-up

MEMBER OF THE FIRST NORTH LEARNING COMMUNITY

Lord's Taverners Camp: Bodi reports that it was a great experience with tuition in softball, cricket, tennis and golf. Thanks to Corndale for organising the camp!

You are invited to share your insights on digital connectivity in regional NSW. The NSW Government is investing \$400 million to bring a faster and more reliable digital network to regional NSW, with a focus on mobile, internet and on-farm connectivity. We are seeking to understand the varied digital connectivity experiences across regional NSW, and invite you to join us for a workshop on regional connectivity. Please join us for a workshop at Repentance Creek to have your say and share your experiences. If you are unable to attend, you are welcome to nominate another person to attend on your behalf. You can still have your say by completing the survey at: tinyurl.com/connectregional For more information please visit www.nsw.gov.au/connectregionalnsw
 *The Regional Digital Connectivity Program is delivered through the \$4.2 billion Snowy Hydro Legacy Fund.

Dates To Remember
