Term 1 Week 2

"We wish to recognise the generations of the local Aboriginal people of the Bundjalung Nation who have lived in and derived their physical and spiritual needs from the forests, rivers, lakes and streams of this beautiful valley over many thousands of years as the traditional owners and custodians of these lands."

Dear Families and Friends,

Gong hei fat choy! Welcome back to another exciting year at UCC! And we are off to a fly-ing start...

Swimming Carnival: Team UCC has once again made us proud at the Annual First North Swimming Carnival. Bodi, Camilo, Cayne and Malakai put in a huge effort swimming for our school. Congratulations to our incredible P6 Relay Team for their first place and to Bodi for his first in freestyle and third in backstroke and Cayne for his third in backstroke. We will send home more information regarding the Zone Carnival as it becomes available.

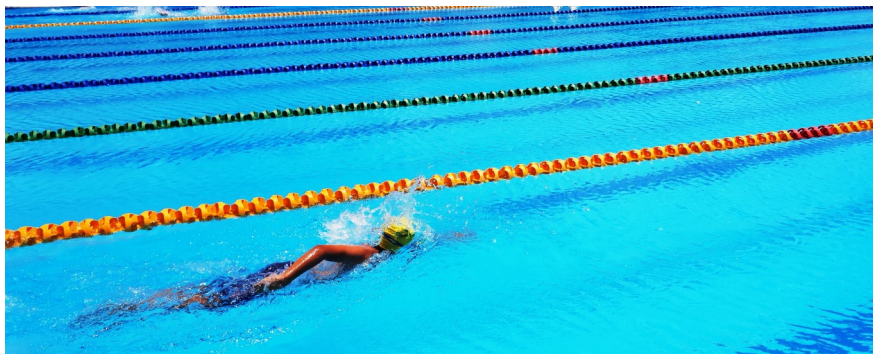

P&C AGM: The P&C Annual General Meeting will be held after school on Monday Feb 11 at 4.15pm. The P&C is a great way to get involved in the life of the school and we would really love to see you all here.

In the classroom: This term students will be studying local history in HSIE and The Physical World in Science. The children made a great start in Science last week, conducting exciting experiments, including Bubbleology and Static Electricity. In Indonesian and Maths this week the students have been studying time and with Sue they have also been learning about the Lunar New Year.

This term Jacqui will be at school every Thursday and Sue will be here on Wednesdays and Fridays. Rochelle will be in the office from Monday to Wednesday and Liz will be here on Thursdays.
