Term 1 Week 11

"We wish to recognise the generations of the local Aboriginal people of the Bundjalung Nation who have lived in and derived their physical and spiritual needs from the forests, rivers, lakes and streams of this beautiful valley over many thousands of years as the traditional owners and custodians of these lands."

Dear Families and Friends,

Today is the final day on Term 1 and I feel like I've missed out on all the fun this week! It sounds like the students had an amazing time drumming with Gabriel Otu and Goo-nengerry school. And today they have enjoyed making hot cross buns with Sue, drawing the Easter Raffle & hunting for Easter Eggs. This week I have been in Lismore on a three day Connecting To Country course, learning more about local Aboriginal culture, history and social experience. It has been an honour to experience local Bundjalung representatives sharing their history, language and knowledge about the cultural geography of our area.
