Term 2 Week 2

"We wish to recognise the generations of the local Aboriginal people of the Bundjalung Nation who have lived in and derived their physical and spiritual needs from the forests, rivers, lakes and streams of this beautiful valley over many thousands of years as the traditional owners and custodians of these lands."

Dear Families and Friends,

Cross Country — Go Team UCC!! Once again our small school put in an incredible performance at the First North Cross Carnival at Clunes PS on Monday. Congratulations to everyone who participated. Well done Camilo for your 4th place and Malakai and Tashi for each coming 5th. And a special shout out to our Kinder students for their courageous run!

GRIP Leadership: Today our Year 5 and 6 students travelled to Lismore to participate in the GRIP Leadership Conference. The conference concentrates on training students how to use their individual strengths in their role as school leaders.

In the classroom: In the classroom this week the students have been learning about time in Maths and colours in Indonesian. In Science the children have been testing which materials are waterproof and which offer shade. The children also enjoyed making flags to decorate the school and some other secret things that I am not allowed to mention in this week's newsletter.

Australia's
**BIGGEST
MORNING
TEA**

Save the Date

May 22nd 2019

Life Ed: Next Monday the whole school will be travelling to Rosebank to visit with Healthy Harold in the Life Ed van. The Life Education Program aims to empower children and young people to make safer and healthier choices through education. **Parents will need to organise transport for their children to and from this excursion, arriving at Rosebank PS by 9am and being picked up by 3pm.**

NAPLAN: All students in Years 3 and 5 will complete the National Assessment Program – Literacy and Numeracy (NAPLAN) on May 14, 15 and 16. The results of the tests will provide important information to schools about what each student can do, and will be used to support teaching and learning programs. Parents will receive a report indicating their child's level of achievement.

Biggest Morning Tea: Don't forget The Biggest Morning Tea will be on again Wednesday May 22 at 11.30am. Everyone is welcome, it is always a lovely event and an opportunity to catch up with our extended community. The SRC have asked each family to provide a plate to share for morning tea, so save the date and invite your neighbours to come along to raise money for the Cancer Council.

Walk to school, Stomp Out The Gap: Next Friday May 17 is Walk To School Day. Once again we are combining this with a Stomp Out The Gap fundraiser for The Cathy Freeman Foundation. Stomp Out The Gap raises money to support the vision of an Australia where Indigenous and Non-indigenous children have the same education standards and opportunities in life. More information next week.
