Term 3 Week 2

"We wish to recognise the generations of the local Aboriginal people of the Bundjalung Nation who have lived in and derived their physical and spiritual needs from the forests, rivers, lakes and streams of this beautiful valley over many thousands of years as the traditional owners and custodians of these lands."

Dear Families and Friends,

This week we have had many exciting excursions: Robotics at Rosebank, Athletics at Clunes and the Byron Writers' Festival at Lismore.

National Tree Day: On Tuesday we took part in the Planet Ark Tree Planting Day, planting a mandarin tree in our garden.

CARNIVAL POSTPONED: The First North Athletics Carnival that was to be held at Eureka tomorrow has been postponed due to forecast rain. The carnival will now be held next Friday August 9th.

Interrelate: Next Monday August 5 and Monday August 12, Years 5 and 6 students will be visiting Bexhill PS to take part in Interrelate.

Thanks: Thanks Kristyna and Jolita for helping with transport for the excursions. Your help means we can keep school excursions affordable.

Gymnastics: Next week on Tuesday all students will start gymnastics lessons at school with North Coast Gymnastics for 5 weeks, culminating with a visit to North Coast Gymnastics own gym.

P&C: Thank you to everyone who came along to the P&C meeting on Tuesday.

Excursion Recounts:

The crowd cheered as I threw the longest discus throw of the day. I ran with a smile on my face to get my ribbon.

On Monday Bodi, Louie, Tashi, Mal, Xavier and I all went to the athletics carnival at Clunes. We met up with Rosebank at Clunes and helped set up the sun shelter.

The first race was the 800 metre race. Tashi and Mal lined up and then they shot off. Tashi and Mal raced past us four times. Tashi came second and Mal came eighth. In discus I came first with the longest throw of the day.

I felt proud about how I got the biggest throw.

Cayne

On Tuesday the school went to Lismore for the Writers' Festival. We sat and listened to Isobelle Carmody with her bears, Bily and Zluty. It was fun.

Deazyl

On Friday everybody went to Rosebank for Robotics. Years 3 and up did coding while years 2 and down made robots. At the end we had a massive robot battle! Good job Tashi, Finn and Levi for winning.

Bodi

On Tuesday we went to Lismore for the writers festival. We went to listen to John Flanagan and Isobelle Carmody, two authors. I liked Isobelle Carmody most, she talked about her life that was funny and the monster game was scary. I loved the day.

Tashi

On Friday we all went to Rosebank. We had lots of fun. We had to code the Robots. The robots were EV3's. My robot was called Fred, in the end we all had fun.

Louie

The day after the sports carnival we went to the Lismore writers festival and saw two fabulous authors named Isobelle Carmody and John Flanagan. They told us about becoming an author and other stories. I had a fabulous day and I want to go to the next one.

Xavier

On Friday UCCPS went to Rosebank and did Robotics, the older kids programmed EV3's and the younger kids made a robot named Milo, a race car and a windmill. It was fun.
