Term 3 Week 5

"We wish to recognise the generations of the local Aboriginal people of the Bundjalung Nation who have lived in and derived their physical and spiritual needs from the forests, rivers, lakes and streams of this beautiful valley over many thousands of years as the traditional owners and custodians of these lands."

Dear Families and Friends,

Zone Athletics: Good luck to our athletes, Bodi, Cayne, Camillo and Tashi, who are representing the First North at the Zone Athletics Carnival in Lismore today. They are all competing in the PP6 relay and Bodi is also in 100m, 200m races, Cayne is competing in discus and Tashi in the 200m and 800m. Go Team UCC!!

Brainstorm Production: We had a great morning last Friday visiting our friends at Rosebank for the Brainstorm production, The Human Race. The students had lots of laughs learning about resilience, empathy and cyber safety.

Author's workshops: On Wednesday August 28th our students will attend authors' workshops by Roland Harvey and Tristan Bancks at Clunes Public School. Roland and Tristan will combine humorous story-telling and drawing around topics like environment, history and/or geography. Permission notes are attached.

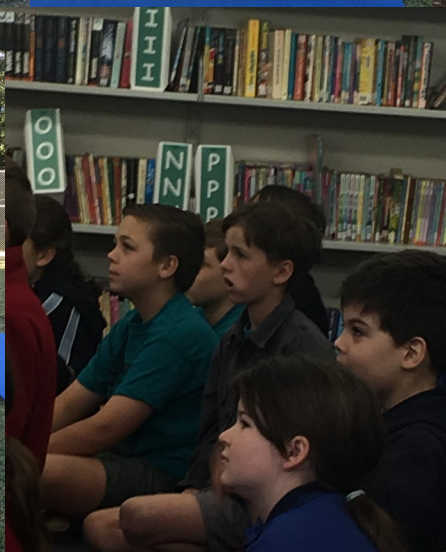

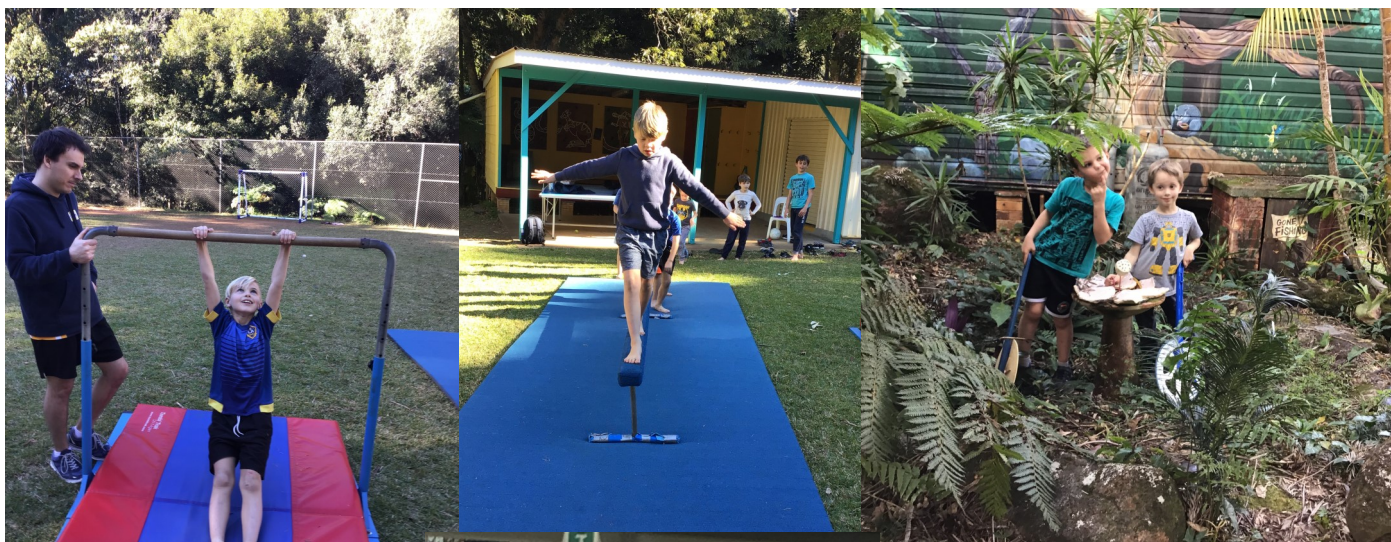

Illustrator's Workshop: Camilo has been selected to attend a workshop with local illustrator Misa Alexander this Friday along with other talented art students from the Rivers Community of schools.

In the classroom: This week in Maths students have been learning about 3D shapes and addition. Year 4-6 students have also been working on independent maths projects. In English students are continuing with their speeches and in Geography they have been comparing people's homes in deserts around the world. In gymnastics lessons this week the children had fun using the balance beam.

Federal Fun Day: The Federal Community Children's Centre is celebrating their 40th Anniversary with a Family Fun day on September 15th. Nadine has kindly offered to facilitate a UCCPS stall and an 'ArtJam' canvas but she can't do this all alone! We need student and adult volunteers to help on the day. Please contact the school if you can help out.

It's still quite cold here at school in the mornings and afternoons, so please send a jumper with your child even if it seems warm at home.
