Dear Families and Friends,

As we race towards the end of the school year, there is still plenty going on.

Surfing: What an amazing time the students are having this week at our surfing lessons with the team from Let's Go Surfing in Byron Bay! It is incredible to see the younger students growing in confidence and taking on challenges. While the older students are enjoying reconnecting with surf instructor, Karin, who has inspired the boys to refine their surfing skills over many years.

Filming: We are almost finished filming the final scenes for our end of year concert. Nicky, Sue and I are very impressed at how the students have embraced this alternative means of presenting our show. As soon as we have completed editing, we will be sending the final product out to parents.

Family Lunch: The students of Upper Coopers Creek have invited their families along to school this Friday for a family lunch. The students will be providing food and entertainment so we really hope you can make it. That's this Friday 11 December at 1pm.

Swimming Carnival: The First North Swimming Carnival is at Alstonville pool on Tuesday 2nd February (Term 1, Week 2) for any students turning 8 or older in 2021. Please return attached permission note by Tuesday 15th December if you would like your child to attend. Travel will be by private transport and there will be one staff member attending. Due to current restrictions, spectators are not allowed, but we will let you know if this changes.

We pay our respects to the people of the Bundjalung nation upon whose country we learn and teach.

Year 6 Farewell: As covid regulations meant that we couldn't head to the water slides this year, Cayne chose a restaurant lunch for his Year 6 Farewell. Next Tuesday 15 December the whole school will head to Brunswick Heads for lunch and a play in the park. If you have not yet returned your permission note, please do so as soon as possible. If there is something your child should not be eating, please let us know before then.

Last day: The last day of the school year for students is next Wednesday 16 December. The first day back in 2021 for Years 1 to 6 is Friday 29 January and for Kindergarten students Monday 1 February.

Reports: School reports will be going home this week. If you would like to come in for an interview to discuss your child's progress and goals, please contact the office to make an appointment.

We pay our respects to the people of the Bundjalung nation upon whose country we learn and teach.
