Term 1 Week 7

"We wish to recognise the generations of the local Aboriginal people of the Bundjalung Nation who have lived in and derived their physical and spiritual needs from the forests, rivers, lakes and streams of this beautiful valley over many thousands of years as the traditional owners and custodians of these lands."

Dear Families and Friends,

Big Veg Crunch: We held the Big Vegie Crunch last Thursday with a fabulous crunching effort by all the kids here at UCC! The results of this year's record breaking attempt for the number of children simultaneously eating a piece of fruit or vegetable are not out as yet but watch this space.

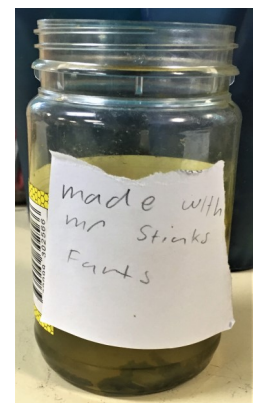

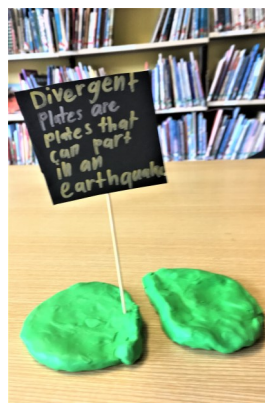

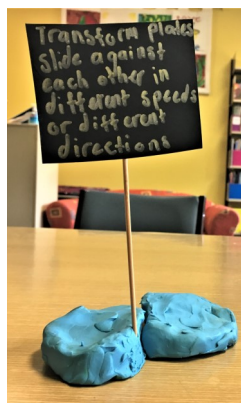

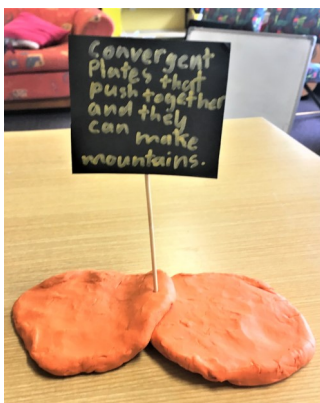

In the Classroom:

In Reading, the Senior students are working on their novel study, Mr Stink, and they are also investigating how to use predicting as a reading strategy. In writing they are working on planning exciting narratives. In Maths we are looking at subtraction techniques and in Science we have been investigating the three types of earthquakes. In the Junior class the Kindie Lindies are very excited with their achievements—after spending the past seven weeks learning their letters all Kindie Kids are now reading books daily and they love it!
