Term 1 Week 11

"We wish to recognise the generations of the local Aboriginal people of the Bundjalung Nation who have lived in and derived their physical and spiritual needs from the forests, rivers, lakes and streams of this beautiful valley over many thousands of years as the traditional owners and custodians of these lands."

Dear Families and Friends,

Today is the final day of Term 1. It's been a strange and busy end of term but it's been inspiring to witness how everyone has responded to the challenges. More than anything, I would like to say a sincere thank you to students, families and staff for their patience, flexibility, cooperation and good humour during this time. Thank you especially to all our parents for the commitment you have shown to your children's learning.

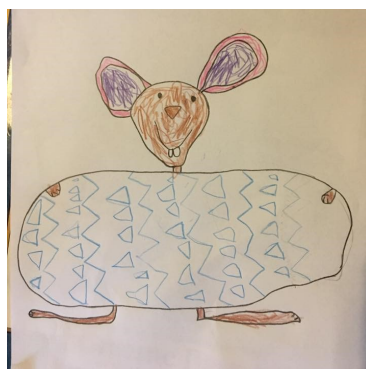

It's been fantastic to see the amazing learning that has been going on at home. If you haven't already done so, please email some home learning pictures to school or upload them to the school's home learning face book page. We really love seeing the activities that you have been sharing.

If required, next term we will continue with a similar model and will contact students on a daily basis to ensure clear communication and continuity of learning.

These holidays will no doubt be a bit different from normal Easter school holidays, with less opportunity for travelling or socialising with family and friends. However, even though the children have been home for a couple of weeks now, it is important to remember that they will need a chance to relax and take a break to be ready for next term.

Enjoy your Easter Break. Term 2 begins for students on Tuesday April 28.
