Term 2 Week 6

"We wish to recognise the generations of the local Aboriginal people of the Bundjalung Nation who have lived in and derived their physical and spiritual needs from the forests, rivers, lakes and streams of this beautiful valley over many thousands of years as the traditional owners and custodians of these lands."

Dear Parents and Friends,

Reconciliation Week: This week at school we have continued commemorating Reconciliation Week. Today we celebrated Mabo Day, which commemorates the High Court Mabo decision and the courageous efforts of Eddie Koiki Mabo to overturn the fiction of *terra nullius*.

In the classroom: This week students have been working on subtraction and angles in Maths. The Senior students enjoyed working together on the top oval to create lines and angles using their bodies, skipping ropes and other tools. In Science and Technology we delved deeper into the world of robots with some amazing robotic creations from the Senior class and impressive coding in the Junior class.

Bush School: Tomorrow for Bush School the students will have a special treat, with a visit from the teachers from the Dorroughby Environment Education Centre. Cindy and her team will take the children down to the creek for some Water Watch activities. Be sure to wear clothes and shoes that are suitable for exploring and learning in the bush.

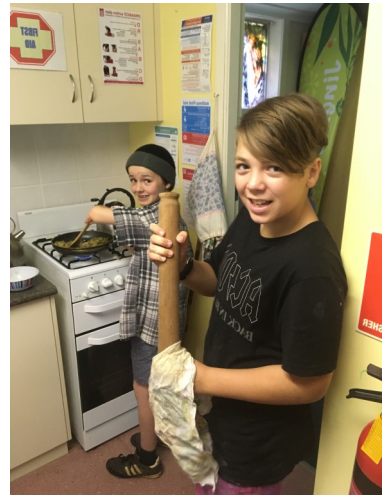

Dates To Remember

Thurs	June 4	Water Watch with DEEC
Fri	July 3	Last day of Term 2
Tues	July 21	Students first day Term 3

MEMBER OF THE FIRST NORTH LEARNING COMMUNITY

Cooking: What a feast the children created with Nicky and Maddy last week in cooking. Everybody enjoyed the delicious samosas, yogurt sauce and bliss balls. There will be no cooking this week because we will be busy with Water Watch with DEEC.

Soccer: Although Dave was unable to make it for soccer lessons this week, we were incredibly fortunate to have another expert volunteer coach. Thanks Cassie for coming to UCC to share your expertise with our students.
