

Upper Coopers Creek Newsletter Public School

Term 4 Week 4

Thursday 3 November 2022

Dear Families and Friends,

We will be having a busy school weekend this weekend with Federal Park Party and the Byron Market fundraiser! Please come along and show your support for our school at these events.

Federal Park Party: The Federal Park Party is back this Saturday, 5 November. We will be promoting our wonderful school there. Please come along and lend your support!

Byron Market Fundraiser: Our school P&C will be fundraising at the Byron Bay Markets on **Sunday 6 November**. This is a great opportunity, but we need help! We are a very small P&C and this will be our single major fundraiser of the year so kids, parents, friends, relatives, please give us a hand shaking those buckets.

In the classroom: In English this week, Jen's class has been looking at connotation and imagery in writing and having fun with limericks, while Nicky's class has learnt about paragraphing in their writing. In Maths, Nicky's class looked at the most efficient ways to sort and count large numbers and Jen's class explored square and triangular numbers. The students have also been working on the annual school magazine, the end of year concert and our FilmBy movie. Unfortunately Damian, our taekwondo teacher, was unable to visit this week but he will return next week.

We pay our respects to the people of the Bundjalung nation upon whose country we learn and teach.

FilmBy: This week the children have been filming their movie "Sunny Side UP" for the annual FilmBy film festival. Louie will take their footage to Eureka school on Wednesday 9 November for the editing workshop.

Kinder Orientation: Kinder orientation will continue every Thursday until Thursday December 1. Kinder orientation is an opportunity for children who are starting primary school in 2023 to get to know us and our school. We are looking forward to having our new kindergarten children join us. If you know of any families with children who will be starting primary school next year, please tell them about Upper Coopers Creek and ask them to get in touch.

RFS Visit: There was a lot of excitement at school on Monday when Dave from Rosebank Rural Fire Service arrived in the fire truck! The children learned important fire safety tips and got to sit in the fire truck (with lights and sirens) and use the fire hose!
