

Upper Coopers Creek Newsletter Public School

Term 4 Week 5

Thursday 10 November 2022

Dear Families and Friends,

As we race towards the end of the year, we have a lot of fun activities planned, including swimming and surfing lessons, the school concert, end of year presentations and FilmBy. Please take note of all these important dates.

Save the dates: We have a bunch of important dates coming up! The FilmBy Festival will be held at Southern Cross Uni on 29 November. Our school concert will be live for the first time for years at Repentance Creek Hall **Friday 2 December**. Our end of year afternoon tea and presentation is on the final day of school, **Friday 16 December**. Week 9 (5-9 December) the whole school will be attending swimming lesson and Week 10 (12-15 December) we will all head to surfing lessons. Busy times!

Thank you: An enormous thank you to those parents and staff members who helped out with promoting and fund raising for our school over the weekend at the Federal Park Party and the Byron Markets. We truly appreciate your commitment to our students.

FilmBy: On Wednesday, Louie spent the day at Eureka PS enhancing his already impressive editing skills at the FilmBy editing workshop. We will be finishing off our movie 'Sunnyside Up' next week. We don't know which days will be sunny enough for filming, so it would be great if the kids kept a school shirt in their bag. The movie will premiere at the FilmBy Film Festival at Southern cross University on the evening of Tuesday 29 November.

We pay our respects to the people of the Bundjalung nation upon whose country we learn and teach.

In the classroom: This week in English, Jen's class has been writing poems and working on reading fluency while in Nicky's class, the children looked at characters in their reading. In Maths, Nicky's class used number lines to learn about time while Jen's class looked at the connections between decimals, fractions and percentages and explored prime numbers. The children have also continued to work hard on the school magazine, our movie and on learning their lines for the school concert.

Pen Pals: Our friends in class 3M at Balgowlah North Public School were very excited to receive a big parcel filled with letters from our students and also students from Corndale PS. It has been so lovely to watch the communication between our two very different schools and the children have loved making new connections in a very old fashion way.

Contacting the school: When contacting the school regarding student absences or changes in afternoon travel arrangements, it is best to call the school or use the school email address cooperscrk-p.school@det.nsw.edu.au. Many parents currently message individual teachers, and while this usually works, there is a risk that these messages will be missed if Nicky or Jen are away at training.
