Term 4 Week 6

Thursday 17 November 2022

Dear Families and Friends,

As we race towards the end of the school year, please keep an eye on the dates of the many important and exciting events we have coming up. Sue will be here next Wednesday, Thursday and Friday for concert rehearsals. We will also have the dress rehearsals on the following Thursday and Friday. The concert is very soon and we need everyone here.

In the classroom: Term 4 is always very busy in the classroom. Students have continued to work on our school magazine, the school concert and our FilmBy movie. Louie has done an incredible job independently editing the footage and I hope families can make it along for the premiere in Lismore on Tuesday 29 November. Teachers and children have also been very busy with various assessments in preparation for writing student's end of year reports.

FilmBy Screening: The premiere of our movie, Sunny Side Up, will be held at the Whitebrook Theatre, Southern Cross University from 6:00pm Tuesday 29 November. Tickets can be purchased online through Ticketebo at a cost of \$5 per person. <https://www.ticketebo.com.au/FBTNR2022>.

Seed propagation workshop: We have been lucky enough to be able to host a seed propagation and bush regeneration workshop run by Mark Dunphy from Firewheel Rainforest Nursery. We will be joined by Mark on Thursday 24 November.

Interrelate: Year 5 and 6 students from our community of schools will be participating in the Interrelate program at Bexhill Public School on Wednesday 23, 30 November and 7 December. Please return your permission note as soon as possible.

We pay our respects to the people of the Bundjalung nation upon whose country we learn and teach.

Christmas Tree Craft: Do you have any rags or fabric offcuts lying around at home? If you do, can you please send them in tomorrow so we can begin our Christmas tree craft activity.

Kinder Orientation: Kinder orientation will continue every Thursday until Thursday December 1. Kinder orientation is an opportunity for children who are starting primary school in 2023 to get to know us and our school. We are looking forward to having our new kindergarten children join us. If you know of any families with children who will be starting primary school next year, please tell them about Upper Coopers Creek and ask them to get in touch.

Swimming: Our annual intensive swimming program will be held in Week 9, 5-9 December. The NSW Department of Education School Swimming Scheme is an intensive learn to swim program which develops water confidence and provides students with basic skills in water safety and survival. The program is running at GSAC in Goonellabah.

Surfing: Our annual surfing lessons will happen in the final week of the term, 12-15 December. Surf lessons are a lot of fun and a great way to learn about beach and surf safety.

End of Year Afternoon Tea and Presentation: We would love for families to join us for afternoon tea and a presentation to celebrate the end of the year on Friday 16 December.

Parent Survey: It seems that our attempt at sending the parent survey through on online link hit a few snags. We have attached the survey in paper form. If you could complete and return that would be great. Thank you.
