

# Upper Coopers Creek Newsletter Public School

Term 4 Week 7

Wednesday 23 November 2022

Dear Families and Friends,

**School Concert:** It's almost time!! After 3 years without Sue's amazing school concerts, we are just about ready to go! The concert is on Friday 2 December at Repentance Creek Hall at 6.30pm. Children need to arrive by 5.45. It is important that they rest and eat before the concert. Families are asked to bring a plate that we will share after the show.

**School Concert Rehearsal:** The whole school will be heading down to Repentance Creek Hall for rehearsal on Thursday and Friday, December 1 and 2. Please return the attached permission note as soon as possible.

**School Concert Costumes and Decorations:** Costumes for students are very simple this year. If possible, can every student bring in a pair of black bottoms (leggings, jeans, etc) and a plain (preferably dark coloured) t-shirt. Please send these into school in a labelled bag. Please let us know if you can't provide this and we will see what we can find at school. We would also like a hand on Thursday afternoon decorating the hall, please let us know if you can help.

**FilmBy:** Our hilarious FilmBy movie – Sunny Side Up – premieres at the Whitebrook Theatre, Southern Cross University from 6:00pm Tuesday 29 November. Tickets can be purchased online through Ticketebo at a cost of \$5 per person. <https://www.ticketebo.com.au/FBTNR2022>. We are sending home the student participation and permission to publish notes again today. All our students are in this movie, **so we really need those notes back asap!**

We pay our respects to the people of the Bundjalung nation upon whose country we learn and teach.

**Seed Workshop:** On Thursday, we will host a fun, free, and hands-on native seed propagation workshop. The workshop will be delivered by staff from the Firewheel Rainforest Nursery and the seedlings produced in our workshop will be available for local plantings. This is part of a wider project funded by a grant from the NSW Government's Reconnecting Regional NSW Community Events Program, and it is being run by a collaboration of partners including local Landcare groups. For more information go to <https://regeneration.mullumseed.org.au/>

**Swimming:** Our annual intensive swimming program will be held in Week 9, 5-9 December. The NSW Department of Education School Swimming Scheme is an intensive learn to swim program which develops water confidence and provides students with basic skills in water safety and survival. The program is running at GSAC in Goonellabah.

**Surfing:** Our annual surfing lessons will happen in the final week of the term, 12-15 December. Surf lessons are a lot of fun and a great way to learn about beach and surf safety.

**End of Year Afternoon Tea and Presentation:** We would love for families to join us for afternoon tea and a presentation to celebrate the end of the year on Friday 16 December.
