

Upper Coopers Creek Newsletter Public School

Term 4 Week 8

Thursday 1 December 2022

Dear Families and Friends,

It's concert time!! We are very excited that, after three long years, Sue and the kids will finally have the opportunity to perform for us tomorrow night at the hall!

Concert: Friday night is concert night. Children need to be at Repentance Creek Hall at 5.45 and the show begins at 6.30. Please make sure your children have some food and rest before show time, we are also asking all families to bring a plate to share after the show

Seed Propagation Workshop: Children and staff loved learning about how to propagate the seeds of native trees with Deb and Jo from Firewheel Rainforest Nursery. They also helped transfer baby seedlings into individual pots and learnt how to look after them. We hope to plant these seedlings next year at the school and by the creek. There will be a one-day community festival and planting called Regeneration. For more information you can go to: <https://regeneration.mullumseed.org.au/>. A big thank you to Ray Moynihan for making this happen.

FilmBy: Congratulations to all our students for creating the amazing movie, Sunnyside Up, that premiered at Southern Cross University on Tuesday night. And a particular congratulations to the film's editor, Louie. Our movie won the award for Best Editor and this was solely Louie's work! A very well deserved award!

Premiers Award: And speaking of awards, congratulations to Roy for winning the inaugural Premiers Respect Award. This award recognises students who consistently show high standards of kindness, inclusiveness and community-mindedness. Congratulations, Roy!

We pay our respects to the people of the Bundjalung nation upon whose country we learn and teach.

P&C: Thanks to all the parents who came along to our P&C meeting yesterday.

Swimming: Our annual intensive swimming program will be held **next week**, 5-9 December. The NSW Department of Education School Swimming Scheme is an intensive learn to swim program which develops water confidence and provides students with basic skills in water safety and survival. The program is running at GSAC in Goonellabah.

Surfing: Our annual surfing lessons will happen in the final week of the term, 12-15 December. Surf lessons are a lot of fun and a great way to learn about beach and surf safety.

End of Year Afternoon Tea and Presentation: We would love for families to join us for afternoon tea and a presentation to celebrate the end of the year on Friday 16 December.

We pay our respects to the people of the Bundjalung nation upon whose country we learn and teach.
