Dear Families and Friends,

This week's newsletter has been written by our students.

Dash: This week in Maths, we played a game with three dice. We got to hold the chickens and name them. I like Goldie because she is nice but I like Shadow because she is cool.

Roy: This week in Geography, we made maps, we got a choice of the type of map. I chose a descriptive map, it was super fun. In English, we have been working on our speeches. I am writing about the best day of my life, Venus is writing about community heroes and Louie is writing about travelling back in time. This week we let the chickens out, it was so much fun. My favourite chicken is Goldie because she is the easiest to catch and she is the nicest.

Felix: This week in computer class we were writing our names differently and adjusting paragraphs. This week we made a chicken hole.

Venus: This week in Maths we learnt about decimals. I learnt that decimals can be written as fractions. We also learnt about tenths and hundredths.

Last Week we got chickens and named them. They are called Goldie, Ginger, Tikki, Cloud, Shadow Rosie and Moonlight Rosa. Everyone has had a great time petting and holding them.

Next Friday, we are going to watch a show at the theatre in Brisbane called Room on the Broom. We will be going by bus, please return the permission note attached.

We pay our respects to the people of the Bundjalung nation upon whose country we learn and teach.

Louie: This is week in Geography, Roy, Venus and I got to make maps in different styles. I did medieval style, while Venus did an Aboriginal style art map. They showcase around our homes and school. Last week I went to Lismore Public School for choir practice. There were at least forty kids in a small room singing songs. Some songs that we sang were; Fight song, I Still Call Australia Home and Say Say Kromah. It was loads of fun and thank you, Lismore PS for having us.

Next Wednesday I will be joining students from other schools at Eureka PS for a film making writers workshop.

Next Thursday, the whole school will be heading to Federal Pre-school for a visit to the kids. We will be doing several activities and they will be showing us around their school. Please return attached permission note.

On Monday 22 August, we will be walking to school for "Walk to School day". It will start at Englishes road at 8.30am, then we will walk together to school.

James: This week I was collecting information from tally marks. The school chickens don't really like to play soccer, they like to eat.

Jayah: This week in Maths we learnt about tally marks. We voted for the chicken names. Goldie, Tikki, Ginger, Cloud, Moonlight Rosa and Shadow Rosie.

Quinn: In Sue's class, we made mountain scapes. We got the chickens and I like to hold them. On Wednesday, we went to Rosebank Pre-school and played.
